TARGET LATE SUMMER 2013 GRAND OPENING!!

Further to the fantastic award of £100,000 from the Norfolk County Council Construction Fund in December we are full steam ahead for a late summer 2013 opening.

BUILDING UPDATE

We have been busy appointing contractors to the project. We are pleased to advise that Bryn Williams continues as our main contractor with all the ground, brick and block work to complete the building as well as putting in the paths and back access road. We have appointed Brown and Payne as our main electrical and fire installation contractor, Anglia Heating as our plumbing, heating, ventilation and ground source contractor, The East Anglian Lift Company for our platform lift, Cooks Blinds and Shutters who have already provided us with the external doors and shutters and will be putting in a folding wall, Granwood Flooring Ltd for most of the internal flooring, and Midas Structural, who have already provided the steel structure, but will be installing the front canopy and fire escape stairway. Blockwork has been continuing to the inside of the building and the first fix of electrical and plumbing works has begun.

FUNDING UPDATE

The funding we have in place, together with the income being generated by our charity shop will enable us to work towards our target, however, we still need more funding. Therefore we are still applying to local and national trust funds to fully complete our project.

So far - £320,000 – income raised, spent or committed on the building project, £40,000 - still needed to get a usable building. We also need to raise £80,000 for the ground source heating, which long term will provide a green energy solution to the heating of the building making it more sustainable. On present estimates, the building costs will represent £520 per square meter of floor space which will be excellent value for money.

POPPY CENTRE CHARITY SHOP

The charity shop has now raised in excess of £33,000 towards our funding target, with £2,800 of this coming from recycled goods.

Dear Editor

Please may I enter my sincere thanks to the residents of Stalham for the very warm welcome both my wife and i have received since our move. The contact we have had from our new neighbours has really made moving here worthwhile, passing the time of day, to a wave of the hand has all added up to 'WELCOME'.

Thank you for your kindness

SPA Club 2013 Programme

Stalham Pensioners Association operate a varied programme at our monthly meetings some of which are open to all ages, like, for instance our February meeting, when Dr Dhesi from the Staithe Surgery came to explain the changes to the NHS that are being implemented now. If you are 55 or older, our club is there for you too. Membership is just £8 p.a. and we meet on the 4th Wednesday of the month at 2pm usually in the Town Hall. Plans this year include a talk by Ron Skivington on 27.March :: St. George's day Quiz with multiple choice answers (very popular last year) that includes a hot buffet supper for £7 a head – 6.30 for 7pm on Saturday 20.April :: We plan outings to Taverham Garden Centre on Wednesday 24.April and to the Antiques Roadshow at UEA on Thurs 25.July :: We will have a stall at Charities Markets in the Town Hall on 30.Mar, 30.Apr, 29.Jun, 30.Jul, 31.Aug, 29.Oct & 30.Nov and are running the Saturday Fleamarket on 13.July. All this busy fundraising goes to support the Garden Party (Sept.25) and annual Birthday Party, (27.Nov). as well as membership of the National Pensioners Convention who have been instrumental in achieving bus passes and much more for the elderly. We can proudly say that some of our Stalham members who are active contributors in the County and East Anglian branches have had a hand in these successes. There are still things to plan and new members will be welcome to bring new ideas with them. Give it a try, come along to the Town Hall at 2pm on most 4th Wednesdays, sit in on the meeting and have a cuppa and a chat. Just turn up to a meeting or contact our Secretary, Jane Hare. tel: 581 200.

STALHAM IN BLOOM NEW YEAR NEWS.

Members of STALHAM in BLOOM, held the A.G.M. at the Swan in Stalham on the 15th Feb and after the business. two members of the public joined us for an excellent lunch. During the A.G.M. the Chairman expressed grateful thanks to everyone (whether members of S.I.B. or not!) in Stalham who helps to keep our community tidy and colourful! Tentative plans are afoot to Celebrate 60 years of the Coronation by planting daffodils somewhere in Stalham - watch this space (or spaces in other newsletters!)

Plans for the 2013 year ahead of us were discussed, and readers may remember the exciting news that we are having a Front garden competition in the summer. Anyone can nominate any garden, if you want to nominate your own, that's fine or anyone else's, but it might be polite to inform them first! Alan Gray from the renowned East Ruston Gardens will come to judge the gardens and there is a superb shield to win PLUS £25.00 generously donated by the Co-Op Funeral Parlour. Runners up will receive Certificates. Plants for the hanging baskets in the High Street are already ordered and growing, being tenderly cared for by Alan and Geoff! 33 will be planted ready to go on display, so if your business on the High Street has NOT ordered yours YET, please contact our secretary Patsy on 582522. When you've finished reading your Stalham news, get out into the front garden and start preparing for summer!! Good Luck. The next meeting of Stalham in Bloom will be at The Croft, Campingfield Lane at 2.p.m. on Friday April 5th Further details, Chairman Flicka Henwood 584298. Patsy Tomlinson 582522 or myself Elizabeth Jackson 581389

Message from County & District Councillor Nigel Dixon

Councils to Hold Council Tax Levels. I am pleased to advise that both the County and District Councils do not propose to increase Council Tax in 2013/14; this is expected to be formally agreed in February. This will be the 3rd year the County Council has held Council Tax at 2010 levels. However, the Police and Crime Commissioner is seeking an increase for the Police element of Council Tax.

The Purchase of the Airfield at Former RAF Coltishall Many of you will know NCC completed the purchase of the site in January; the main reasons for this was to ensure the site is regenerated to provide major economic growth facilities and a range of numerous new job opportunities. It was almost certain the site would continue to decay and lay dormant if NCC didn't intervene. The next stage is to produce a Master-plan for the future use of the site and to assist that process a community liaison group was formed in mid 2012; it has had 4 meetings to date and it includes about 25 people from adjoining Parish and District Councils and other stakeholder groups. A list of possible uses has been prepared and anyone with ideas can add them to the list via email at: FutureofRAFColtishall@norfolk.gov.uk or via me if you wish. A draft Master-plan is expected in late May and a final version should be agreed around October. This is a huge task and the potential rewards for the local economy and communities is enormous; it's thus right not to rush the process and that it should be as inclusive as possible. NCC welcomes short term use proposals and will give short leases appropriately; it has also started a program of work to stop the decay of buildings and keep the site secure. I am keen that the local area benefits as much as possible from this very rare opportunity.

My contact details, if you wish to raise any other concerns, are: Tel 783885 or e mail: nigel.dixon@norfolk.gov.uk or NigelNDD@aol.com

CHURCH FARM DEVELOPMENT.

On Thursday 14th February, The Development Committee at North Norfolk District Council deferred approval for the Church Farm Development until further work has been conducted into the traffic management and the sewerage and drainage problems.

The Town Council has continuously brought these problems before the planning officers, so we all live in hope that they will listen to all of us at last.

Thank you to everyone who has sent me best wishes following my fall and broken arm. May I remind all of you to please be careful not only indoors re: the notorious rugs, but outside during this very cold weather. Keep warm and well,

Pauline Grove-Jones
